Richard Durrett

On June 17, 2014, one of Dallas' most recognizable sports journalists, Richard Durrett, died suddenly at the young age of 38.

Durrett was one of the most versatile reporters in the DFW metroplex, covering college sports, motor racing, football, basketball and Texas Rangers baseball. He was on the Dallas Stars beat for the Dallas Morning News and continued to cover the Stars during his last five years with ESPN Dallas.

Aside from being a fine journalist, Durrett's enduring legacy will be the kindness he brought to everyone he met. As one noted colleague said, "We could all make the world a better place by learning from the life of Richard Durrett."

Durrett is survived by his wife, Kelly, son, Owen, his daughter, Grace, as well as a third child on the way. He was a true professional and great friend to the Dallas Stars and will be greatly missed.

R. THOMAS GAGLARDI
OWNER & GOVERNOR

R. Thomas (Tom) Gaglardi is the owner and governor of the Dallas Stars Hockey Club and the president of Northland Properties Corporation, the largest family-owned hospitality company in Canada with its head offices located in Vancouver, British Columbia. He was officially introduced as the sixth owner in franchise history on November 21, 2011.

In just three seasons as owner of the club, Gaglardi has revitalized hockey in the Dallas-Fort Worth Metroplex, overhauling the team's front-office by hiring veteran administrator Jim Lites to serve as president, bringing franchise icon Mike Modano to serve as an executive advisor and alternate governor and installing one of the most respected hockey minds in Jim Nill as general manager. He also spearheaded the overhaul of the team's logo and uniform, forging a new identity for the club to fit his vision. Under his watch, industry insiders have consistently identified the Stars as a team "on the rise" for both the business, and hockey operations side of the organization.

A passionate and knowledgeable leader who is deeply involved in all aspects of the family's business, Gaglardi began his career in the hospitality industry at age 13 as a busboy and has worked in virtually every area of his business since that time. He spent considerable time in construction, hotel and restaurant operations, real estate development and finance. At age 23, he was promoted to president of the Sandman Hotel Group, and at 26 he became president of Northland Properties Corporation, the Gaglardi family's umbrella company. Under his direction, Northland has grown to include a large portfolio of hotels including Sutton Place Hotels & Resorts, along with several restaurant chains including Denny's Restaurants of Canada, Moxie's Classic Grill, Chop Steakhouse & Bar, and Shark Club Bar & Grill. The family also owns and operates a large real estate portfolio and the world renowned Revelstoke Mountain Resort. In addition to his role with the Stars, Gaglardi is a co-owner of the Kamloops Blazers Hockey Club of the Western Hockey League and serves as its governor.

An active member of the community, Gaglardi founded the Sandman Harvest Foundation, which has raised over $1 million for disadvantaged and medically challenged children living in the Okanagan Valley of British Columbia. He also serves as trustee for the PA and JM Gaglardi Senior Citizens Society, a non-profit society providing housing for seniors in Kamloops, British Columbia and serves on the board of St. George's School in Vancouver. He founded the Josh Dyck Foundation to assist Josh with his recovery from an auto accident in October 2006, which left him paralyzed and confined to a wheelchair.

Gaglardi and his wife Brittney have three sons, Charlie, Bennett and Wilson all of whom play competitive ice hockey. In addition to his own participation on his hockey team, Gaglardi enjoys playing golf and spending time with his family at their cottage on the shores of Kamloops Lake near Savona, British Columbia.

JAMES R. LITES
PRESIDENT & CEO

Dallas Stars owner Tom Gaglardi appointed Jim Lites President and CEO of the Stars on Nov. 18, 2011. Lites is very familiar with the position having held it twice previously under prior owners Norm Green and Tom Hicks.

Lites enters the 2014-15 season with a reputation as one the finest administrators in professional sports. He is responsible for all aspects of the Dallas Stars hockey and business operations and reports directly to Mr. Gaglardi. Lites also serves as an Alternate Governor on the NHL's Board of Governors, a role he held from 1982-2007. Over the years Lites has served on the Board's marketing, broadcasting, expansion and game committees.

Over the course of Lites' two prior stints with the Stars (1993-2002; 2003-2007), the team won seven Division Championships, two Western Conference Championships, two Presidents' Trophies, and the 1999 Stanley Cup. He played an active role in the conception, design and construction of American Airlines Center and the construction of the Dr Pepper StarCenter ice facilities.

From 1999-2002, Lites also served as president of MLB's Texas Rangers, becoming one of only four executives at the time to simultaneously manage the affairs of two major league franchises. He served three years on MLB's Executive Council and was President when the Rangers captured the 1999 AL West Championship.

Prior to joining the Stars in 1993, Lites served 11 years as chief operating officer of the Detroit Red Wings, who during his stint, won three Norris Division Championships and two Norris Division Playoff Championships after having missed the playoffs in 10 of the 11 seasons before his hiring. During his tenure, the Red Wings were named by Financial World magazine as the most valuable franchise in the NHL in 1990, 1991, 1992 and 1993. Lites was also instrumental in the defection of former Soviet stars Sergei Fedorov, Vyacheslav Kozlov and Vladimir Konstantinov, each of whom played important parts of the Red Wings' record-setting and Stanley Cup champion hockey clubs.

While with Detroit, Lites also served as chief operating officer of Olympia Arenas, Inc., one of the Midwest's largest facility management companies. He was also responsible for the redevelopment of Detroit's historic Fox Theatre, now the most successful entertainment venue of its type in the United States and the cornerstone of Detroit's growing northside sports, entertainment and gaming complexes.

From 2007 until being rehired by the Stars in 2011, Lites managed the New York Football Giants' Personal Seat License program at MetLife in East Rutherford, New Jersey. That program was one of the most successful of its type in history.

Born and raised in Pentwater, Michigan, Lites received a bachelor of arts degree with highest honors from the University of Michigan in 1975 and graduated cum laude from Wayne State (MI) University Law School in 1978. He specialized in litigation and labor contract negotiations when he practiced law. Jim and his wife Kim reside in Frisco. They have four children, sons Chase, Sam, Chandler, and daughter, Brooke.

BRAD ALBERTS

EXECUTIVE V.P./CHIEF REVENUE OFFICER

Brad Alberts is in his second tenure with the Dallas Stars and currently serves as the executive vice president and chief revenue officer (CRO) after rejoining the team in November 2011.

Now in his second season as CRO and fourth overall since rejoining the Stars, Alberts' current role includes overseeing various aspects of the team's business operations, including corporate sponsorship, broadcasting, in-game entertainment, ticket sales, marketing, communications and merchandising. He also works closely as a member of the Stars executive team in all aspects of strategic planning.

Since rejoining the team, Alberts has played an integral role in the resurgence of the Stars in the Dallas-Fort Worth Metroplex, which has seen increases in attendance, sponsorship sales and overall visibility.

Alberts' background includes nearly two decades of professional sports experience selling tickets, suites, premium seats and sponsorships. In his first stint with the Stars from 2007-2009, Alberts served as executive vice president with Hicks Sports Group, then the parent company of the Dallas Stars and Texas Rangers, heading the sponsorship sales efforts for both organizations. Most recently he served as vice president of strategic partnerships with Legends Sales & Marketing, a company owned by the Dallas Cowboys and New York Yankees.

Over Alberts' 10 years in various roles, he has been instrumental in making American Airlines Center one of the top ranked revenue buildings in North America, hosting the NHL All-Star Game (2007), the NBA All-Star Game (2010), NCAA men's and women's basketball contests and countless other sporting events and concerts.

Alberts received his bachelor's degree in history from Ripon College in 1992, where he was a four-year lettermen and co-captain of the basketball team. He received his master's degree in sports administration from the University of Northern Colorado in 1995. Alberts is active in the non-profit community and resides with his wife, Kate, and their daughter, Grace, in Southlake.

JASON FARRIS

CHIEF OPERATING OFFICER/CHIEF FINANCIAL OFFICER

Jason Farris joined the Dallas Stars in January 2012 as executive vice president. Currently serving dual roles as chief operating officer and chief financial officer, Farris oversees all aspects of Dallas Sports & Entertainment's finance and administration, box office, human resources, and information technology. He also has responsibility for leading the operations and growth of the Dr Pepper StarCenters, and the 6,500-seat Dr Pepper Arena in Frisco, Texas. Within the community, Farris serves as board chair of the Dallas Stars Foundation, is a member of the advisory board of the Dallas Stars Alumni Association, and leads the Stars youth hockey initiatives to continue the growth of hockey at the grassroots level in Texas.

A native of Vancouver, Farris brings a depth of business expertise and passion for hockey to the Stars. Farris was the president and CEO of Citizens Bank of Canada, one of 21 Schedule I banks in Canada. Prior to his tenure in financial services, he spent 10 years in the software industry as an executive with Fincentric Corporation and with MacDonald Dettwiler & Associates. A multi-dimensional professional, Farris also founded the publishing company, circaNow Media. Through circaNow, Farris authored and published four hockey books: Behind the Moves: NHL General Managers Tell how Winners are Built (2011) which was hailed as ¨the most important hockey book in over a decade¨; Hail Cesare: Trail through the NHL (2006) about Stars' franchise legendary goalie, Cesare Maniago; a national best-seller in Canada, Hockey Play-by-Play: Around the NHL with Jim Robson (2005) and its encore edition, Hockey Play-by-Play: Canuck Captains with Jim Robson (2010).

Farris holds a master of science in management from MIT Sloan School of Management in Cambridge, Massachusetts. He also holds a bachelor of arts in political science from the University of Toronto and a bachelor of science in physics from the University of British Columbia in Vancouver. He has been a member of the Society for International Hockey Research since 1995 and is a contributor to Total NHL as well as the annual NHL Official Guide and Record Book.

Farris is never far from the rink. For years he was a Hockey Canada official, having refereed and lined hundreds of minor hockey games. Though he grew up between the pipes, he can now be found playing in local men's league games as a centerman or right winger.

Jason and his wife Sarah have two children, Jane and Owen and they reside in University Park.

MIKE MODANO

EXECUTIVE ADVISOR & ALTERNATE GOVERNOR

Mike Modano returned to the Dallas Stars organization in 2013 as an executive advisor and alternate governor after one of the most illustrious careers in NHL history. In his role with the club, Modano works with Owner Tom Gaglardi and President Jim Lites on all initiatives relating to the Dallas Stars Ownership Advisory Group, Dallas Stars broadcasts, and corporate partnership endeavors.

The Livonia, Michigan native was named to the Hockey Hall of Fame on June 23, 2014 and will be inducted on Nov. 17 in Toronto. He is the all-time leading American-born scorer, amassing 561 goals, 813 assists, totaling 1,374 points in 1,499 career NHL games. Aside from his impressive overall career stats, he is the Dallas Stars franchise leader in nearly every category, including games played (1,459), goals (557), assists (802), points (1,359), game-winning goals (92), power play goals (156), and short-handed tallies (29). He is also the franchise leader in playoff games played (174), goals (56), assists (87) and overall points (143). The seven-time NHL All-Star, and 2012 United States Hockey Hall of Fame inductee helped lead the Dallas Stars to two consecutive Stanley Cup Final appearances, and was a key reason the team captured the 1999 Stanley Cup.

Modano represented Team USA on 11 different occasions across three decades, including the 2002 and 2006 Olympic Winter Games. He was also a part of the U.S. Men's National Team that captured the silver medal at the 2002 Olympic Winter Games and helped Team USA to a gold medal finish at the 1996 World Cup of Hockey.

His contributions reached beyond the ice, as he is credited with helping to grow the game of hockey in the State of Texas. When the Stars first arrived to Dallas in 1993, there were fewer than 250 recreational hockey players and just five sheets of ice in the Metroplex. Today, there are over 6,000 recreational hockey players, playing on over 20 sheets of ice in the area. Continuing his commitment to growing the game, during the 2013-14 season, Modano worked closely with the Dallas Stars Foundation and Stars executives on a program to introduce ice hockey to children in the Metroplex with the debut of his Little Rookies program. Little Rookies is a four-week program that allows children ages 4-8 to experience ice hockey at no cost to the family. In its first year, over 30% of Little Rookies participants decided to enroll in another hockey program. It was so successful; it expanded to the Austin area in the spring of 2014. During the fall of 2014, the program will also be offered in Houston and College Station.

Selected by the Minnesota North Stars as the first overall pick in 1988, Modano announced his retirement from the NHL after 21 seasons on Sept. 23, 2011. The Dallas Stars permanently retired his iconic No. 9 at a ceremony at American Airlines Center on March 8, 2014.

JIM NILL
GENERAL MANAGER

Jim Nill is in his second season as general manager of the Dallas Stars after being appointed to the position on April 29, 2013 by owner and governor, Tom Gaglardi. He is the 11th general manager in franchise history and the sixth since the team moved to Dallas.

Since joining the Stars, Nill has dramatically re-shaped the team's culture and roster with a series of trades and acquisitions. In the summer of 2013, he hired veteran coach Lindy Ruff to serve as the team's head coach and acquired young superstar center, Tyler Seguin, in a blockbuster, seven-player deal with the Boston Bruins. Seeing the need for continued depth at the center position, Nill once again made headlines in the 2014 offseason by bringing in center Jason Spezza via trade with Ottawa to give the Stars one of the most dynamic one-two combinations in the NHL. Other notable acquisitions include drafting Valeri Nichushkin, the trade for Shawn Horcoff, as well as the free agent signings of Ales Hemsky, Patrick Eaves and Sergei Gonchar to supplement the core of emerging young stars.

Prior to joining the Stars, Nill spent a total of 19 seasons as a member of the Detroit Red Wings management team, the last 15 of those as the team's assistant general manager. His responsibilities with Detroit included directing the amateur scouting department, overseeing all selections at the annual NHL Draft, as well as managing the development of the organization's prospects at both the professional and amateur levels. During Nill's tenure in Detroit, the Red Wings had more wins than any other franchise in the National Hockey League, won four Stanley Cups (1997, 1998, 2002 and 2008), six Presidents' Trophies (1995, 1996, 2002, 2004, 2006 and 2008), 12 Central Division titles (1995, 1996, 1999, 2001, 2002, 2003, 2004, 2006, 2007, 2008, 2009 and 2011), seven regular season Western Conference titles (1995, 1996, 2002, 2004, 2006, 2007 and 2008), and never missed the playoffs. He was an integral part of Detroit's drafting of Pavel Datsyuk, Henrik Zetterberg, Niklas Kronwall, Valtteri Filppula, Jimmy Howard and Johan Franzen, amongst others.

Nill was also general manager of Team Canada for the 2004 IIHF Men's World Championships in the Czech Republic. Canada captured gold by defeating Sweden 5-3 in the championship game.

The Hanna, Alberta, native joined the Red Wings' front office in the summer of 1994 following three seasons with the Ottawa Senators. Previously, Nill enjoyed a nine-season NHL career as a right wing with the Boston Bruins, Vancouver Canucks, St. Louis Blues, Winnipeg Jets and Red Wings. He collected 58 goals, 87 assists and 854 penalty minutes in 524 regular season games. Nill later went to Adirondack as a player/coach, retiring as a player after the 1990-91 season. A member of the 1979-80 Canadian National and Olympic teams in 1979-80, he was a fifth-round pick of the St. Louis Blues (89th overall) in the 1978 Draft.

Jim resides in Frisco with his wife Rebecca and have three children: Jenna, Trevor and Kristin.

LES JACKSON
ASSISTANT GENERAL MANAGER

Les Jackson is in his 27th season with the Stars, dating back to the club's days in Minnesota. His role consists of monitoring the development of all amateur and professional prospects.

Ruff, 54, is the 12th-winningest head coach in NHL history, one of only 18 to ever reach the 500-victory plateau, and has the third-most wins of any active coach, behind Joel Quenneville and Ken Hitchcock. Now in his second stint as an NHL head coach, he departed the Buffalo Sabres as their all-time franchise leader in wins with a 571-432-162 record.

In Ruff's nine postseason appearances, he has earned a 59-48 record, which is tied for the 15th-most playoff victories in NHL history. He is also one of only 22 coaches all-time to coach at least 100 postseason contests.

Ruff began his NHL coaching career as an assistant with the Florida Panthers in 1993 during the club's inaugural season and spent four seasons behind the bench with the Panthers, helping guide the club to two playoff appearances and the 1996 Stanley Cup Final, where they fell to the Colorado Avalanche.

No stranger to international competition, Ruff coached Canada's National Team to a silver medal at the World Championships in 2009 and served as an associate coach for the gold medal-winning Canadian teams at the 2010 Winter Olympic Games in Vancouver and the 2014 Winter Olympic Games in Sochi. He also served as head coach at the 2013 World Championships for Canada.

Prior to his coaching career, the native of Warburg, Alberta, played 691 games in the NHL from 1979 to 1991, posting 300 points (105G-195A) for Buffalo and the New York Rangers. He was Buffalo's second-round selection (32nd overall) in the 1979 NHL Draft.

In his role, Calvillo is responsible for managing the communications efforts of the club's off-ice activities, including corporate partnerships, ticket sales, marketing, Dr Pepper StarCenters, Dallas Stars Foundation and other organizational initiatives. Calvillo came to the Stars organization after spending the previous five seasons (2006-2010) working for Spurs Sports and Entertainment. Calvillo graduated from the University of Texas at Austin with a bachelor's degree in public relations and lives in Dallas.

A NEW STAR IS RISING

The Dallas Stars ushered in a bold new era in the franchise's history by unveiling a new primary and secondary logo, along with a new color scheme and uniform set as part of their sweeping rebrand and transformation on June 4, 2013 at an exclusive invitation-only event at the AT&T Performing Arts Center in downtown Dallas. The unveiling was made in front of a capacity crowd of loyal Stars fans, city dignitaries and local celebrities with captain Jamie Benn and NHL legend Mike Modano serving as the models for the new uniform.

The event was the culmination of a rebranding process that began in earnest in May 2012 and took approximately one year from its conception to the final product.

Wanting a design that was "classic, simple and true-to-hockey," Stars Owner Tom Gaglardi enlisted the help of the National Hockey League, Reebok, team president Jim Lites, broadcasters Ralph Strangis and Daryl Reaugh, as well as a group of other high-ranking Stars executives and former players to weigh in on the future look of the club.

During the extensive one-year process, the team left no stone unturned, experimenting with different color schemes and variations of the logo. In total, over 230 different uniform concepts were critiqued and modified to fit Gaglardi's vision.

The final product is striking.

The primary logo has been simplified. Gone are the letters spelling out "Dallas Stars" as a wordmark. In their place is a clean, modern logo that prominently features the letter "D" in the foreground and a silver star in the background.

The color scheme has been refreshed. Looking to their past for inspiration, the team decided on a shade of green that lies directly between Kelly Green, the color the team wore as the Minnesota North Stars, and Forest Green, the color the team later wore when they moved to Texas. The result is a bold, distinct shade the team calls "Victory Green." It's the only such shade currently being worn in the NHL. Black and Silver were also added as official colors.

The uniform itself borrowed elements from some of the most iconic original-six hockey sweaters, and for the first time in franchise history, includes string on the front of the jersey as well as the words "Dallas" and "Stars" on the back of the inside collar of the home and road uniforms, respectively.

Taken together, the new uniform and logo embody the "new Dallas Stars" while respecting the rich tradition that preceded them in Minnesota and their first 20 years in Dallas.

AMERICAN AIRLINES CENTER

One of the finest multi-purpose venues in the world, American Airlines Center has served as the home of the Dallas Stars since 2001, playing host to over half-a-million hockey spectators annually and nearly 10 million overall since opening its doors in 2001.

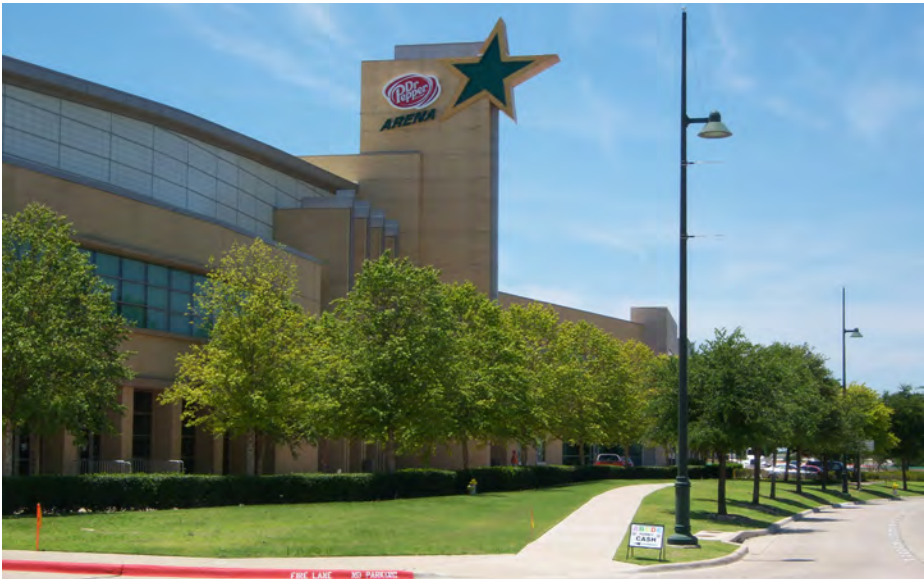
Designed by world-renowned architect, David M. Schwarz and Dallas-based HKS Inc., American Airlines Center encompasses over 800,000 square feet and includes 118 luxury suites, 36 Service King Lounge theatre-box suites, two fifty-person suites and room for 18,532 hockey fans. Its brick and glass façade, sweeping vistas of downtown Dallas, double-vaulted ceilings and welcoming signature arches give the Center a unique combination of a modern, yet classically-elegant design that is perfectly suited for Dallas' "larger-than-life" Texas spirit.

No stranger to hosting major sporting events, the Center has seen the 2002 & 2006 NCAA first and second Round Men's Basketball Tournaments, The Phillips 66 2003, 2004, & 2006 Men's Big 12 Basketball Tournaments, 2009 U.S.A. Gymnastics Visa Championships and other events such as Boxing and Ultimate Fighting Championships. It was also a proud host of the 2007 NHL All-Star Game, 2006 and 2011 NBA Finals and hosted events during the 2010 NBA All-Star Weekend.

Not solely a sports mecca, Pollstar and Billboard consistently rank American Airlines Center among the top-10 arenas of its kind in the world for concerts. It has hosted major concerts and events, such as Coldplay, U2, The Rolling Stones, Billy Joel, Elton John, Rod Stewart, George Strait, Tom Petty, the Imagine Dragons, Justin Timberlake, and Bruce Springsteen, among others.

American Airlines Center was designed to keep ice in perfect condition, even when the Texas heat blazes outside. To maintain a constant temperature of 64-68 degrees, the building has a separate chiller system just for the slab, eight miles of one-inch pipe and 320 tons of refrigeration. In addition, a 3,600-ton air-conditioning system and a dehumidification system extract 500 gallons of moisture per hour during the season. The ice is put into place each September and takes 24 hours to build up to the 1-inch depth the players are accustomed to. The ice stays in the Center until the playoffs are complete and is covered up during the season with a special material called Ice Deck, a fiberglass product that keeps the ice cold and allows the air temperature above to rise without affecting the ice. The Zamboni is retrofitted with a Fast Ice system, the latest technology that allows the ice maintenance crew to cut the ice quickly in order to keep the ice smooth and fast.

Although American Airlines Center recently surpassed its first decade of existence, the arena still pushes the envelope with technology. In 2009, the Center set the standard for hockey and basketball arenas by installing the first 1080 high-definition center scoreboard in the NHL and NBA, increasing digital video throughout the arena bowl by 300 percent. Matching the spectacular HD video experience is a state-of-the-art concert quality sound system. The digital six speaker linear system delivers audio effects that the American Airlines Center visitor can both feel and hear. Using a patented retractable seating system, the Center can convert from an ice rink to a basketball court or concert setting in less than two hours.



DR PEPPER ARENA/DR PEPPER STARCENTER, FRISCO

The Dallas Stars Organization opened the Dr Pepper Arena in Frisco, TX, in June 2009, and it has become the premiere entertainment venue in Collin County.

Formerly known as the Deja Blue Arena at the Dr Pepper StarCenter, the facility underwent a major renovation through a partnership between the Dallas Stars, the City of Frisco and the Frisco ISD. The original facility opened in 2003.

Most of the renovation took place on the arena side of the complex, which began in the summer of 2008. Dr Pepper Arena's capacity went from 3,500 to just over 6,000. Additions to the arena included a 1,000-space parking garage, extensive kitchen/catering capabilities, 12 luxury suites and a VIP club.

Dr Pepper Arena opened June 1, 2009 and featured many entertaining guests and shows in its first year, including Bill Cosby, Cirque Du Soleil, Hillsong United, Championship Boxing, Steele Cage Mixed Martial Arts and the Harlem Globetrotters. The facility will continue to showcase great entertainment as well as sports in Collin County.

Dr Pepper Arena is also the home to the Texas Legends, the Dallas Mavericks' D-League affiliate.

"Dr Pepper Arena has been very successful since its expansion was completed," said Dallas Stars Chief Operating Officer, Jason Farris. "It is the premiere entertainment venue in Collin County and the Frisco area. We look forward to many more great events coming to Dr Pepper Arena."

Dr Pepper has been a strong partner of the Dallas Stars since the hockey club came to North Texas in 1993.

"We are very proud of our longstanding relationship with the Dallas Stars through our sponsorship of the team and our continued involvement with Dr Pepper StarCenters throughout the Metroplex," said Jim Trebilcock, executive vice president and chief marketing officer for Dr Pepper Snapple Group, based in Plano. "Dr Pepper Arena brings that relationship to a new level, providing a state-of-the-art sports and entertainment venue for the Frisco community and in the process gives the Dr Pepper brand even more visibility here in our home market."

"We've been very happy with the Dr Pepper Arena over the past few years," said Frisco Mayor Maher Maso. "The expansion project has transformed the arena into a well-balanced venue with greater capabilities to host events for everyone. Our residents and visitors enjoy more entertainment opportunities and our city benefits economically from the arena's enhanced ability to host a wide variety of events."

YOUTH HOCKEY IN TEXAS

When the Stars moved from Minnesota to Texas, the club made exposing the Dallas/Fort Worth community to hockey an organizational priority. By constructing and operating several Dr Pepper StarCenters throughout the Metroplex, the team has been able to have direct involvement with building and growing the game of hockey in the greater Southwest.

The Dallas Stars are one of the few teams in the NHL to design and build their own practice facility and arena, run in partnership with the City of Frisco. The team also sets the pace in the NHL among clubs that form partnerships with communities to create public skating facilities, a trend which is picking up momentum around the league. The facilities in Euless, Farmers Branch and McKinney were all built in partnership with those cities. There are also Dr Pepper StarCenters in Irving, Plano, and Richardson.

The Stars have come a long way since moving to town nearly 20 years ago. When the team first set foot in Texas, there were five total sheets of ice in the area (two of which were at shopping malls and didn't host hockey). There were no high school or travel hockey teams, only 250 local children playing the sport and only 225 adults playing in recreational leagues.

During the 2013-14 season, there were more than 6,000 North Texas kids and over 4,500 adults skating and playing recreational hockey on over 20 sheets of ice in the area, including more than 40 high school hockey teams participating in the Stars-run AT&T Metroplex High School Hockey League.

With all the success the Stars have had growing the sport, it's no surprise that the Lone Star State is beginning to produce world-class hockey talent. Since 2005, 13 native Texans have been drafted into the National Hockey League, including eight who hail directly from the area (Dallas, Plano, Coppell, Arlington, Lewisville) Nine of those players have been selected since 2008, making Texas a top-15 producer of American NHL draftees in that span. In the summer of 2013, Plano native Seth Jones was selected fourth overall in the NHL Entry Draft by the Nashville Predators, the highest a native Texan has ever been selected.

The Dallas Stars continue to play a crucial role in the grass roots development of the sport in Texas through Little Rookies, a four-week try hockey for free program, and Fitness Stars, a physical education program aimed at fighting childhood obesity through hockey-based fitness challenges. Through those programs, over 175,000 elementary school-aged kids will pick up a stick or lace on skates for the first time in 2014-15.

DALLAS STARS FOUNDATION

The Dallas Stars Foundation was established in 1998 to serve as a positive force throughout the Dallas/Fort Worth Metroplex. The Foundation focuses its efforts on providing support to the children of the community so they may lead quality lives and develop into contributing members of society. Through teamwork, interaction, and education, the Dallas Stars Foundation works to bring together all members of the Metroplex and build a bright future for today's youth.

Since 1998, the Foundation has awarded more than $4 million to local charities through their charitable grants program. Over the years, the Foundation has partnered with numerous non-profit agencies that focus on a myriad of worthwhile causes, including youth hockey, medical and other basic needs for disadvantaged youth, educational and social issues, family support, and crisis intervention.

The Dallas Stars Foundation has three pillars of focus for their giving, programs and partnerships:

- Youth Hockey: The Foundation is committed to growing the sport of hockey in the state of Texas, and they do this in a variety of ways. Each year, the Foundation provides the Junior Stars and Bob Gainey scholarships to young hockey players and figure skaters that exhibit not only leadership and sportsmanship on the ice, but also academic achievement and community-mindedness off the ice. In order to help build youth hockey, the Dallas Stars Foundation provides the Fitness Stars and Little Rookies program.
- Youth Engagement: Through the yearlong fundraising programs of the Foundation, they are able to provide support to area non-profit organizations that embrace children of all backgrounds, regardless of race, disability or situation. By forming strategic and beneficial partnerships with our non-profit partners, we are able to encourage and empower children in order to maximize their potential so they may lead quality lives.
- Health and Education: The Foundation helps promote personal growth and quality of life to people in the Dallas/Fort Worth Metroplex; whether that is through their Stick with Reading program that encourages children to read, nutritional education or support to the local children's hospitals and cancer organizations through Hockey Fights Cancer night.

During the 2013-14 season, the Foundation has made in-kind and ticket donations to over 1,000 different organizations including schools, non-profit organizations and sports related programs.

Through donations made by the Dallas Stars, Dallas Stars players, season ticket holders and the Dallas Stars Foundation via the community tickets program, over $218,000 in tickets were donated to local charitable organizations. The Dallas Stars players and staff actively participated in various fundraising events and community events including school and hospital visits, totalin 400 hours volunteered.

Through the continued work of the Foundation, the Dallas Stars organization pledges to support the Metroplex and the state of Texas in order to support community efforts through the great game of hockey.

DALLAS STARS LITTLE ROOKIES

Designed by Dallas Stars and American hockey legend Mike Modano, the Little Rookies program launched in October 2013. Focused on teaching children the fundamentals of hockey, the program provided them with all the necessary equipment for the duration of the four-week period. By giving children the opportunity to try the sport of hockey with no strings attached, the program has been the catalyst for growing the sport in Texas.

The first-of-its-kind program was offered at all ice rinks in the Metroplex five times during the year for children between the ages of four to eight and have never participated in a hockey program. The Fall session of the program ran across all 10 ice facilities in Dallas/Fort Worth with over 450 children signing up to lace up their skates for the first time. During the Fall and Winter sessions of the program, over 30% of enrolled participants made the commitment to continue with a paid hockey program following the four-week class.

As of the summer of 2014, Little Rookies expanded to Austin, Houston and College Station, offering more children the opportunity to try the sport of hockey for free. The Dallas Stars organization is actively looking to expand the program in current markets as well as finding new locations in the Southwest to grow Little Rookies beyond the state of Texas.

FITNESS STARS

Fitness Stars enters its second season of existence in 2014-15 after launching at the start of the 2013-14 season. Created as a physical education program aimed at fighting childhood obesity through hockey-based fitness challenges, Fitness Stars was offered at 28 DFW area schools in its inaugural season, reaching over 15,000 children.

Due to the program's overwhelming success, Fitness Stars is expanding this season to 279 new schools, and is expected to impact over 185,000 children in 307 totals schools in the Dallas/Fort Worth Metroplex. Participating schools include Carroll ISD, Coppell ISD, Carrollton-Farmers Branch ISD, Fort Worth ISD, Garland ISD, Irving ISD, Lewisville ISD, McKinney ISD, Mesquite ISD, Wylie ISD, and 12 individual schools.

Participants in the program complete five Fitness Stars challenges and collect Stars charms after achieving each goal. Every student who completes the program receives a ticket voucher for an upcoming Stars home game at American Airlines Center. Fitness Stars is supported in part by Floorball Planet, JCPenney and the Dallas Stars Foundation.

Dallas Stars defenseman Brenden Dillon serves as the program's spokesperson and plays an active role in the program's implementation and development across the Dallas/Fort Worth area.

SEGUIN'S STARS

Seguin's Stars was created by Tyler Seguin upon his arrival in Dallas at the start 2013-14 season as a way of honoring one of his best friends who suffered a severe spinal cord injury in December 2012. For every Stars home game, Seguin donates a suite at American Airlines Center fully stocked with food, beverages and t-shirts to those affected by spinal cord injuries. He also meets with each suite member outside of the Stars locker room after each game.

In its first season, Seguin's Stars was a wild success, helping expose the game of hockey to over 500 individuals, many of who attended a hockey game for the first time. Seguin partnered with the Southwest Wheelchair Athletic Association (SWAA), a local non-profit organization that provides sports competition for those individuals with a physical disability, to help distribute and coordinate ticket distribution.

TEXAS STARS HOCKEY CLUB

The Texas Stars are in their sixth season as the Dallas Stars development affiliate in the American Hockey League (AHL) and enter 2014-15 as the reining Calder Cup Champions. In their first five seasons in existence, Texas has proved to be one of the most successful franchises in the entire AHL, making two trips to the Calder Cup Finals (2010, 2014), qualifying for the playoffs in four of their five campaigns (2010, 2011, 2013, 2014) while posting 40-win seasons four times.

Last season, the Texas Stars won the Calder Cup Trophy as the top AHL team, beating out the St. Johns Ice Caps in five games. During the regular season, Texas posted a franchise record 48 wins, claiming the Macgregor Kilpatrick Trophy as the AHL's regular season points champion, as well as the John D. Chick Trophy as the West Division Champions. Texas had several individual standout performances as well. Stars forward Travis Morin was named the AHL MVP and was named an AHL First All-Star and forward Curtis McKenzie was named the AHL Rookie of the Year as well as to the AHL All-Rookie Team.

The Texas Stars play all of their home games in Cedar Park, Texas, which is located just north of Austin. Less than a three-hour drive from Dallas, the geographically-friendly location offers a distinct advantage for the Dallas Stars to evaluate talent within their prospect system and make transactions in real time. The results of this advantage have already paid dividends.

The Stars have developed several NHL-caliber players that have made a real impact in Dallas. Jamie Benn, Jordie Benn, Brenden Dillon, Antoine Roussel and Ryan Garbutt all count themselves amongst the crop of Texas Stars alumni to make the jump to the NHL, and were all integral members of the 2013-14 Dallas Stars team that claimed its first playoff berth since 2008. Plenty of legitimate blue-chip prospects remain in the system; prospects such as Brett Ritchie, Jack Campbell, Patrik Nemeth and Radek Faksa are currently in the pipeline and could serve as future Dallas Stars in the near future.

Stars forward Rich Peverley suffered a cardiac event in the first period and was rushed to the hospital in stable condition. The decision was made to hold the game at a later date with all stats, with the exception of Nathan Horton's first-period goal being voided.

In their first season together, Jamie Benn and Tyler Seguin combined to post over 60 goals and and 150 points, each earning 30-or-more goals and 75+ points. NICHUSHKIN SHINES IN STARS DEBUT

The Dallas Stars drafted forward Valeri Nichushkin as their 10th overall pick in the 2013 Draft and immediately made an impact in the NHL. On October 14, 1995, the Stars set a franchise record for the fastest three goals in a game, scoring three times in 44 seconds of the final minute of the third period to cap an exciting 6-5 comeback victory over Boston at Reunion Arena. Trailing 5-3, Kevin Hatcher banged home a rebound at 19:11 of the third period to pull the Stars within one goal. At the 19:44 mark, Mike Modano fired a wrist shot past Bruins' goalie Craig Billington to even the score at 5-5. On the ensuing faceoff, Mike Kennedy hustled to the corner to Billington's left, dug the puck loose and sent a centering pass to Guy Carbonneau, who fired the puck past Billington at 19:55 for the win. According to the Elias Sports Bureau, it is the only game in NHL history that a team trailed by two goals in the final minute of the game and came back to score three goals and win the game in regulation.

NEAL BROTEN 7

Neal Broten finished his NHL career as the most decorated player ever born in the United States. As early as high school he was a champion, taking Roseau High School to three Minnesota State High School Hockey Tournaments. He would go on to lead the University of Minnesota to the 1979 NCAA Championship and was awarded the first-ever Hobey Baker Award as the nation's top collegiate hockey player in 1981. Broten entered history in 1980 as he helped the "Miracle on Ice" U.S. Olympic team win the gold medal. He was the last member of that squad to play in the NHL. Broten, fittingly, scored his first career NHL goal in his first career NHL game with the Minnesota North Stars on March 31, 1981 vs. St. Louis. In his first full season, 1981-82, he was named the franchise's Rookie of the Year after setting team records that still stand for most goals, assists and points by a rookie (38-60-98).

Sixteen seasons later, Broten retired as the club's all-time leader in games played (992), assists (593) and points (867) and is fourth in team annals in goals (274). The team's Most Valuable Player in 1984 and 1986, Broten participated in the NHL All-Star Game in 1983 and 1986. In that 1985-86 campaign, he became the first American-born player to record 100 points (105) and set the current club mark for assists in a season with 76.

Moving with the team to Texas in 1993, Broten scored the first-ever goal in Dallas Stars history on October 5, 1993 against Detroit. He was dealt by the Stars to New Jersey in February of 1995, where he achieved his remaining goal. Having been to the Stanley Cup Finals twice before with the Stars (1981,1991), he played an instrumental role in the Devils' Stanley Cup victory in 1995, finishing second on that championship club with 19 points (7-12-19) in 20 playoff contests. Broten began the 1996-97 season with New Jersey, and had a brief stint with Los Angeles before the Stars reacquired him off waivers on January 28, 1997. Finishing the season with Dallas, Broten totaled 923 points for his career, the second-highest point total ever for an American-born player behind only Joe Mullen (1,063).

In June of 1996, Broten was honored with USA Hockey's Distinguished Achievement Award and in April of 1997 he was named to the All-Time USA Hockey First Team. In addition, he was selected as USA Hockey's Player of the Decade for 1976-77 to 1985-86 and in the Summer of 1997 was named a recipient of the Lester Patrick Award for outstanding service to hockey in the United States, one of only two players (Ken Morrow) to win the Award twice, having won it the first time as a member of the 1980 gold medal USA team. Broten's number seven was retired by the Stars on February 7, 1998 and he was inducted into the U.S. Hockey Hall of Fame in 2000.

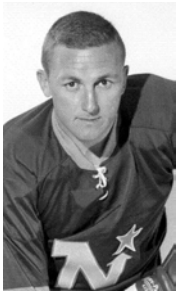
BILL GOLDWORTHY

8

Bill Goldsworthy started his career as a North Star in 1967 when Minnesota selected him from Boston in the 1967 expansion draft. He made his name with the North Stars through goal-scoring and the invention of the Goldy Shuffle. Goldsworthy set marks throughout his career, becoming the first player from a post-1967 team to score 200 goals and the first to score 250. In 1971, Goldsworthy became the team's leading scorer and goal scorer, a mark he held for over a decade. His 48-goal season in 1973-74 was the best ever by a North Star until 1981-82 and he averaged over 30 goals a year during his Stars career. In 1976, Goldsworthy became the first North Star ever to reach the 500-point plateau. In 670 games with Minnesota, he totalled 267 goals and 239 assists for 506 points. Goldsworthy's number eight was retired on February 15, 1992.

BILL MASTERTON

19



Bill Masterton was a member of the Minnesota North Stars inaugural NHL team in 1967-68. He played two seasons of professional hockey for Hull-Ottawa of the EPHL in 1961-62 and Cleveland of the American Hockey League in 1962-63. The North Stars retired Masterton's jersey number in memory of the only professional hockey player to lose his life because of an injury suffered during an NHL game. Masterton hit the back of his head on the ice on January 13, 1968 against Oakland, and passed away two days later. The North Stars named the Bill Masterton Memorial Cup Award in his memory, presenting it to the North Stars player voted most valuable by his teammates during the season. Masterton's number 19 has never been worn by another Dallas or North Star and was retired on January 17, 1987.

MIKE MODANO 9

On March 8, 2014, the Dallas Stars honored Mike Modano, the greatest player to wear a Stars uniform, by retiring his iconic number 9. He became the fourth player in franchise history to have his number retired, joining Neal Broten (No. 7), Bill Goldsworthy (No. 8) and Bill Masterton (No. 19) as the only players in team history to have their number retired.

The organization hosted multiple events over the weekend of the game including a private dinner on for VIPs attending the ceremony, the KIA Victory Green Carpet in Victory Plaza outside of American Airlines Center and the Mike Modano Retirement Ceremony presented by Albertsons.

Widely praised by members of the media as one of the top jersey retirement ceremonies of its kind, Modano was honored prior to the game against the Minnesota Wild with an emotional 40-minute tribute featuring the 1999 Stanley Cup winning team, significant individuals from his career and the raising of the banner to the rafters of American Airlines Center. The largest crowd to ever watch a regular season hockey game in the state of Texas witnessed the Stars thrilling come-from-behind win over Minnesota, which was followed by the organization hosting an exclusive post-game celebration for season ticket holders and VIPs at the Omni Hotel in downtown Dallas.

Modano, the greatest American-born hockey player in NHL history, played 21 seasons in the NHL and is the all-time franchise leader in nearly every category, including games played (1,459), goals (557), assists (802), points (1,359), short-handed goals (29), game-winning goals (92) and power play tallies (156).

A seven-time NHL All-Star, 2014 Hockey Hall of Fame class member, and United States Hockey Hall of Fame inductee, Modano is also the American-born record holder in goals (561) and points (1,374). He was also instrumental in helping the Stars capture the 1999 Stanley Cup championship. The Livonia, Michigan, native skated for Team USA at the Olympxic Games on three separate occasions, winning the silver medal at the 2002 Games in Salt Lake City. He also captured the gold medal at the 1996 World Cup of Hockey; and was captain of the United States squad at the 2005 World Cup. Modano was drafted first overall in 1988 by the Minnesota North Stars.

THE MIKE MODANO TROPHY

The Mike Modano Trophy is awarded to the Stars player who leads the team in scoring at the end of the regular season. The trophy is named after former Star Mike Modano, who is the NHL's all-time leading American-born scorer.
